Re: NATIONAL LEAGUE DESIGNATION & school absence

To Whom it may concern,

The JPL Mountain West NPL is a National youth soccer league, one of 17 US Club Soccer NPLs located across the country.

The Mountain West NPL platform is structured to play a 12-game season, over 3 separate weekends during the regular season, one in the Summer, Fall/ Winter, and finally Spring. Operating this way minimizes travel and expenses considering the large geographic area we operate in.

Teams strive to be crowned champions of the league to then be accepted into the US Club National Finals in July, where they compete against the winners of the other leagues across the country and have the opportunity to be seen by National coaches and scouts.

Thank you for your understanding regarding the occasional absence of JPL USA players from school during this season.

Please feel free to contact JPL USA with any questions at admin@juniorpremierleagueusa.com.

Kind Regards,

*Brandon Gill
Director of Soccer*
